

## **M. Sc. (Zoology) PROGRAMME**

### **I. ELIGIBILITY CRITERIA**

The candidate should have passed the B.Sc. (Hons.)/B.Sc. (Major) in Zoology (3 Years course after 10+2).

Or

B.Sc. (Prog/General) under CBCS scheme with Zoology as one of the subjects (3 Years course after 10+2).

Or

B.Sc. students of IGNOU should have passed with at least 30 Credits in Zoology. The reservation policy of GOI will be applicable.

### **II. PROFILE OF PROSPECTIVE LEARNERS**

- The advantage of space, time and pace inherent in the proposed programme addresses the desire and demand of a large number of our own students of the B.Sc. Programme who have been anxiously waiting for such a step on the part of IGNOU.
- The learners who are desirous of upgrading their knowledge and positions (to PGTs) as well as laboratory technicians working in College/University/Research Laboratories will be benefitted by this programme.
- A large number of in service people to upgrade their Degrees for mobility in their career path. It includes thousands of the TGTs in the Schools spread across the country.
- The programme will be advantageous for aspirant for NET/GATE/Public Services Examination.
- The program will be open to all regardless of age, gender, social status, employment status and area of residence.

### **III. PROGRAMME DURATION**

**Minimum: 2 years**

**Maximum: 4 years**
