

Manikanta Patella Enrol. No: 126309064, DDT

I come from a rural area in Guntur district. After completing my Intermediate I joined DDT programme of IGNOU in July 2012 in PSC 33021, Sangam Dairy, Guntur. The academic counsellors and the Programme Incharge motivated us a lot and with the excellent material and their guidance I successfully completed the programme with 85% and was also awarded Gold medal for having stood first in the country. Thereby the Study Centre offered me a job in their plant and since 2014 I have been working as Production Operator in Sangam Dairy, Guntur.

I also appreciate the 50% fee concession given to rural youth by the School of Agriculture which has helped me financially in completing my course.

I am indebted to IGNOU for having helped me to stand on my own feet. DDT programme of IGNOU has made me financially and technically sound

Name: Binu J

Programme : BA Enrol. No. 136874112

Study Centre : 01121 D
(St. John's College of Philosophy, Kurnool)

Mr. Binu J joined in IGNOU's BA Programme in July 2013 and has successfully completed the programme with the highest marks in the Country and has been awarded the Gold Medal for having stood First in the Country. He strongly believes that all our dreams can come true, if we have the courage to pursue them. Mr. Binu has all praise for the support rendered by the Coordinator and the Academic Counsellors of St. John's College of Philosophy, Kurnool in completing the programme with the highest honours.

Name: Mr. Ratheesh Kumar M R
