PGCCC : POST GRADUATE CERTIFICATE IN CLIMATE CHANGE

Description:

In the backdrop of importance placed on creating awareness on climate change science and adaptation strategies by various ministries under the Government of India, the programme was tailor-made to incorporate the developments in the domain of climate change with respect to human influences on climate, the consequences of climate change, climate change conventions and protocols. The learners will be enriched with knowledge on the impact of climate change on terrestrial and aquatic ecosystems. The learners will be capacitated with the response options to the climate change like mitigation and adaptation strategies.

JOB

OPPORTUNITY:-The problem of climate change transcends traditional academic boundaries and demands realistic and holistic solutions. This programme is aimed at both recent graduates wishing to specialize in climate change and sustainability, and professionals wishing to extend their knowledge and expertise or seeking a career change. Career opportunities in this wide and growing field are numerous: in industry, academics, consultancies and environmental agencies.

PGDAB : Post Graduate Diploma(Agribusiness)

Description:	Agriculture is shifting from subsistence farming to commercial activity. New opportunities are opening up in the agriculture sector due changing business environment, socio-economy of the country, and global scenario. The sector is strongly responding to the demands of consumers and markets in terms of the diversified product base, quality, and price. The development of competitive and quality agriculture with the diminishing role of government has become the forefront of the agricultural economy. There is an unparallel demand on the capabilities and competence of human resources responsible for linking farm production with consumption <i>vis a vis</i> economics-environment equilibrium. Keeping this in view, the School of Agriculture is developing the PG Diploma in Agribusiness (PGDAB) programme. The target group of this programme is graduates in agriculture and allied field, in-service and practicing agricultural extension and development professionals, professionals of NGOs, cooperatives, Corporate, financial, and marketing organizations/institutions.
Eligibility:	Graduate in any discipline.

PGDCFT : PG DIPLOMA IN COUNSELLING AND FAMILY THERAPY

Description:

The Post Graduate Diploma in Counselling and Family Therapy is aimed at developing professionals in this vital field, which is gaining greater salience in the present times both from social and employment perspectives. The contemporary social scenario has resulted in an increased need and demand for professional support in terms of counselling and family therapy, which is being increasingly recognized as an effective approach both for promoting positives like strengthening families, fostering positive parenting, and increasing resilience of individuals in vulnerable situations as well as for addressing negative aspects such as socio-psychological problems, maladaptive behaviours, declining mental health, and psychosomatic disorders that are being increasingly witnessed in the present times. However, though the need for counselling and family therapy professionals is being increasingly felt, there is a dearth of professional support and experts who could lend a helping hand in promoting positive family processes and help individual family members in distress in a comprehensive way. As a result, there is a tremendous felt need for education and training in this area. By developing the requisite knowledge, understanding, attitudes and skills in the area of Counselling and Family Therapy, this unique programme of study would help to train professional cadres in the field, equipping them for both wage-employment and self-employment, and thus fill the existing lacuna. A unique feature of this programme of study is that on successfully completing it, the learner can enroll for the second year of M.Sc. in Counselling and Family Therapy [M.Sc. (CFT)], in subsequent session through credit transfer, as per University Rules.

Eligibility: **Bachelor's Degree or a higher degree from a recognized University**

Duration: **1 Year**

Program Fee: **Rs.16800/- plus Registration Fee of Rs.300/-**

Study Centres: **0104-T.J.P.S. College, Guntur**

**PGDEOH : POST GRADUATE DIPLOMA IN
ENVIRONMENTAL AND OCCUPATIONAL HEALTH**

Description:

Environmental and Occupational Health focuses on assessing the public health risks associated with biological, chemical, physical, biomechanical and psychosocial hazards in natural and built environments. Environmental health specialists focus on the effect of environmental pollution on the health of human beings. The human health is a reflection of socio-economic & physical environment. The main link between the workplace and the general environment is that the source of the hazard is usually the same, whether it is an agriculture activity or an industrial activity. The Programme aims at various concepts related to general environment, the environment at the work place, related hazards and evaluation of health risk assessment by providing solutions to various aspects of environmental health occupational hazard management, epidemiology, health policy and management, and environmental health promotion.

PGDET : POST GRADUATE DIPLOMA IN EDUCATIONAL TECHNOLOGY

Description:

Today technology plays a key role in knowledge creation and sharing, and it is no longer possible to visualise educational settings that do not include technology. Further, on one hand technology is enabling self-learning, and on the other hand, it is supporting mass education. It is also improving the quality of education and empowering learners. Therefore, international organisations like the UNESCO, the Commonwealth of learning, as well as governments of many nations including India are upholding the need to integrate technology into educational processes. Teacher and trainers therefore need to be prepared for this. In response to this demand the programme, the Post Graduate Diploma in Educational Technology (PGDET) is offered. It prepares teachers, trainers, educational managers and those associated with the development of educational softwares for educational processes that require technology integration.

Eligibility:

Graduate in any discipline.

Duration:

1 Year

**PGDUPDL : POST GRADUATE DIPLOMA IN
URBAN PLANNING AND DEVELOPMENT**

Description:	India is 2nd largest urban system in the world with more than 30% of urban population. It is expected that by 2025, half of India's population will be urban. The urbanization has created manifold problems such as transportation, poverty, unemployment, unauthorized housing colonies, slums and squatter settlements. The criticality of the urban problems has not been properly understood due to less emphasis on urban development issues in the academic curriculum at the graduation and post-graduation levels. Therefore, PGDUPDL will be useful for the people involved in the urban development programmes and also to the graduates who wish to pursue urban development as a career. The Postgraduate Diploma holders will be fully equipped to serve various Government and Non-Government Organizations dealing with urban planning and development. The programme also strengthen the efficiency and effectiveness of inservice personnel working in Government and Non-Government Organizations, Private or Corporate sectors and handling various urban development projects and programmes
Eligibility:	Graduate in any discipline.
Duration:	1 Year
Program Fee:	Rs. 6,000/- for full programme. Registration Fee 300/-.
