### The University

Indira Gandhi National Open University, the largest University in the world, was established by an act of Indian Parliament with an objective to provide cost-effective, quality education to the large segment of our population including those living in remote areas and far flung areas. Today, it serves the educational aspirations of over 3 million students in India and 08 other countries through 21 Schools of Studies and a network of 67 Regional Centres, around 3,000 active Learner Support Centres and 15 International Centres to provide the academic support to its learners, with the help of more than 58000 Academic Counselors empanelled from Academic and Research Institutions of repute across the country. The University, in the year 2018-19, has announced admission for 232 academic programmes, perhaps the largest and most diversified pool of academic programmes in the country. As a special initiative to bring marginalized and disadvantaged within the fold of education, the University has activated Special Learner Support Centres, for the disabled and Jail inmates.

### Regional Centre Vijayawada

Regional Centre Vijayawada was established in the year 2008 carving out 11 districts from the jurisdiction of RC Hyderabad. It began its operations with 24 Learner Support Centres from RC Hyderabad and 02 LSCs from RC Koraput (Srikakulam and Vizianagaram districts which were under the jurisdiction of RC Koraput). Thus, in all, the operation of RC Vijayawada began with a network of 26 LSCs and it has expanded its base of network of learner support centres to 49 by 2011 before bifurcation of RC, Vijayawada and creation of RC Visakhapatnam in 2011.
